The initial case management conference for this case took place on February 27, 2008. A further case management conference is scheduled for July 23, 2008. When that date was set, it was anticipated that defendant United States of America's motion to dismiss and/or for summary judgment would have been heard prior to that date. However, due to difficulties in scheduling depositions, it is now anticipated that the USA's motion will be filed in mid to late June and heard in late July or early August. Accordingly, so that the motion can be heard before the further case management conference, the parties to this action, through their attorneys of record, hereby STIPULATE AND REQUEST that the further case management conference be continued from July 23, 2008 to August 27, 2008 at 2:30 p.m.

Respectfully submitted,
